A group effort indeed. Nobody played in all three matches! The initial line-up of Richmond, Insurance, Athenaeum, Hackney, Drunken Knights, Mushrooms, Battersea and ourselves exactly fitted the knockout system for eight clubs. Richmond, Athenaeum, Drunken and ourselves won through to the quarter finals - see Cavendish Chess #33 - where Richmond beat Athenaeum and Cavendish defeated Drunken Knights. In the final - see above - a modest margin of victory was maintained. Mushrooms won the plate, downing Hackney.
